ZAKI ABED

Full Stack Web Developer | Laravel & Vue.js

+201080041327   zaki.abed2541@gmail.com   Egypt

SUMMARY

Experienced Full Stack Web Developer with over a year of hands-on expertise in designing, developing, and maintaining scalable web applications using Laravel, Vue.js, and MySQL. Proficient in both frontend and backend development, with a strong foundation in PHP, object-oriented programming (OOP), and system design. Skilled in creating dynamic, responsive user interfaces using Vue.js and developing robust backend services and RESTful APIs with Laravel. Demonstrated ability in database optimization, performance tuning, and ensuring seamless integration between frontend and backend systems. Collaborative team player with a proven track record of delivering high-quality, maintainable code on time while adhering to industry best practices.

EDUCATION

Bachelor of Science in Computer Systems Engineering

Al-Azhar University of Gaza

2021 - 2025

EXPERIENCE

Full Stack Web Developer | Laravel & Vue.js (Part-Time/ Remote)

IKHWA NETWORK

11/2024 - Present

A Moroccan digital company founded in 2024, specializing in custom tech and design solutions to help businesses enhance operations and digital strategies.

- Develop and maintain web applications using Laravel and Vue.js to meet business needs and ensure optimal performance.
- Design and develop interactive user interfaces with Vue.js to ensure a seamless and integrated user experience.

- Develop robust backend services using Laravel, optimizing system performance and implementing APIs.
- Analyze systems and e-commerce platforms, preparing SRS (Software Requirements Specification) documents to ensure alignment with client requirements.
- Optimize performance and scalability of applications using MySQL.
- Utilize GitHub for source code management and team collaboration.
- Use Postman to test and ensure the quality and efficiency of APIs.
- Collaborate with cross-functional teams remotely to ensure projects are delivered on time while maintaining best coding practices.
